

Graduation Requirements

All students currently enrolled or entering Westridge Christian Academy as a 9th grader or above must declare their intent to graduate. Any student who seeks to graduate from Westridge must follow all policies and fulfill all requirements set forth regarding graduation.

- Students must meet with a school advisor and select a course for graduation from the time of their initial enrollment or entry into high school. At that time a class sequence will be laid out for that student.
- Students must submit SAT or ACT scores prior to graduation in order to receive a diploma.
- Students must attain a final GPA of 2.0 to graduate.
- All students who wish to transfer credits into Westridge Christian Academy or enroll in our Independent Studies program must fulfill all course and graduation requirements. Failure to do so may result in the transfer course not receiving approval and the student not graduating. Please note that Westridge Christian Academy will only accept courses as outlined on our Graduation Requirement Sheet.
- All Seniors must meet with Advisor upon entering their Senior year to ensure that they are on the right course for graduation.
- All Seniors must meet the additional academic requirements for graduation as outlined on our Graduation Requirements Sheet.
- All Seniors must pay a required \$75 Graduation Fee.
